Searching for the Funding Opportunities

All DOE Recovery Act Funding Announcement packages can be found in FedConnect and downloaded from that website. This does not require an account in FedConnect. To search for the packages on the website use the following URL: <https://www.fedconnect.net>.

NOTE: The DOE FAQ site indicates that you need to register in the FedConnect system. Faculty do **NOT** need to register individually. The University of Maryland is already registered as a vendor in FedConnect and the Office of Research Administration will be submitting the Concept Papers via this system.

To search for Funding Opportunities without the account:

Go to www.fedconnect.net and click on "Search Public Opportunities".

Enter the FOA number from DOE or you can search by title (example: Type in "recovery" and click on the Search button at the end of the row). Click on the hyperlink of the FOA you wish to view.
